Marcus Beale is pictured here at Wimbledon College of Art with Giulia Lanza winner of the Beale Bell-Hammer Drawing Prize in 2015-2016.

The art prize which will in future be taken forward as the Marcus Beale Architects Drawing Prize, is awarded on entry to artists studying at the MA Drawing Course at Wimbledon College of Art.

Giulia Lanza came to study in London from Rome. Her work encapsulates a subtle and delicate craftsmanship, working with fabric, patterns, wax, and embroidery to suggest spaces imprinted with the shape and memory of the human body.
